

# Auto Collision Technology

## Student Benefits

### FREE Training

High School students completing a program at FTC receive FREE tuition and training materials. Students also take their program certification test at no cost to them.

### Embedded Credit

Students completing a program at FTC have the opportunity to earn academic credits along with their program training. Students in Joplin High School and Sarcoxie High School school participate in the embedded credit option. In Auto Collision Technology you can earn a full credit for Technical Math and Applied Communications upon completion of the two year program and successful completion of assignments for the embedded credit courses. Students earn a grade in the courses and they are transcribed.

### Membership in a Student Organization

Going a step further in rounding out their education, FTC students are encouraged to join a national student organization, SkillsUSA. The members of this organization practice teamwork, leadership and problem-solving. Members have may hold offices and participate in local, district, state, and national contests.

### Dual Credit Option

The Dual Credit Program allows high school students to enroll in and receive both high school and college credit during normal class hours. Participation in the dual credit program enables students to get a "head start" on their college career as well as prepare for the challenges of college courses. Credits earned under these programs will be applied towards a degree at Crowder College and are generally transferable to other colleges and universities. Students must meet eligibility requirements to participate in the program.

### How to Enroll?

FTC is open to Juniors and Seniors from Joplin High School, Carl Junction High School, Sarcoxie High School, College Heights Christian School, McAuley High School, and home school students. Enrollment for full-time classes begins in January for the following fall term. To enroll, high school students simply complete an application and return it to their school counselor. Students can also apply online or in person at Franklin Tech.
