

The Top 3

CJHS Counseling Office
www.cjr1.org/hscounseling

Here are the "Top 3" items we want you to know for the end of October.

1) **Parent - Teacher Conferences** - "Come and go" parent-teacher conferences will be held in the CJHS Commons on Monday, November 1, and Thursday, November 4, from 4:00 p.m. - 8:00 p.m. Please make plans to attend and visit with your student's teachers.

2) **Postsecondary Financial Aid** - Financial aid can be confusing and stressful. Please take a minute to review a "Financial Aid Basics" presentation on the [counseling office website](#) containing valuable information from the National Association for College Admission Counseling. The Educational Opportunity Center welcomes financial aid questions and will assist with FAFSA completion. Contact the Webb City office at 417-673-2345.

3) **Resource List** - The CJHS Counseling Office has compiled a list of resources and helpful information for families of our community. Visit our [website](#) for a list of local counseling services, crisis helplines, and other helpful resources for food, shelter, medical, and dental needs. We are able to provide hard copies of the lists upon request.

SENIOR CLASS INFORMATION

The Senior Class Information [presentation](#) was shared with seniors and parents last week. Take time to review it, as it has important information concerning student resources, college, ACT, NCAA/NAIA athletics, scholarships, college visits, requesting transcripts, FAFSA and financial aid, senior timeline, and other important items.
