

CJ Primary 2-3

May Newsletter

Awards

We will be passing out our end of the year attendance awards on May 25th at 9:00 am. We want to recognize these students for their accomplishments.

Staff Appreciation Week

Please remember your teachers & paras during the week of May 2nd. It is 'Teacher Appreciation Week'! We want to thank them for all of the hard work they do every day. We say goodbye to Mrs. Ware, Ms. Dickens, and Miss Henderson. They will be leaving us at the end of this year. We wish them well! Please also tell Nurse Whitney how much you appreciate her. She does so much for our kids!

MAP Testing

Many students will finish completing the online MAP test this month. It is our state assessment and shows what our students have learned over the past years (K-3). We will have results at the beginning of next school year! ☺ Please congratulate them for their hard work.

Next Year's class placement

We are working on class placement for next year. Your student will know who their next year's teacher will be by the end of this school year. We will work hard to place your child with a teacher personality that will motivate your child toward success. Thank you for trusting us with your kids!

We are planning for some wonderful summer construction. Our Primary 2-3 will be getting new windows/walls in much of our building. We are excited for this remodel. It will definitely benefit our kids. So...we will be having summer school at K-1 in order to leave our building open for construction. Happy building!

Celebrations

Our student SUCCESS Celebration is scheduled for May 16th for all of those who have maintained great behavior. We will have a day of outdoor fun. Rain makeup day is May 17th. It is always a great (but wet) time!

Track & Field Day

Track & Field day is a tradition in our Primary 2-3 building. This year we will hold track & field on Wednesday, May 18th. We love to allow all of the students to participate in events of their choosing. Third graders will participate in the morning, and second graders will participate in the afternoon. We are hoping for great weather. We are excited for a great day!

(In case of rain we will hold Track & Field day on May 19th.)

We will be having our classroom celebrations, both behavior & Reading Counts for teachers at the end of the day. The classes who reached their goals will get to see the teachers being silly (it's a bit of a surprise).

Parents are welcome to attend this outdoor event. 😊

Summer Construction

Happy Mother's Day !
