Summer School Enrollment

Summer School begins for current 3rd, 4th, and 5th grade students on Monday, June 3, and goes through Friday, June 28. There will be many fun activities and learning experiences for the students. We will be taking a field trip on Fridays! If you plan to send your child to summer school, please turn the enrollment form in as soon as possible. The Junior High will have summer school classes available for current 6th grade students.

Message from Nurse Amberlee

Any medicine will need to be picked up by a parent or an adult by the last day of school. Any medicine left will NOT be sent home with students for safety reasons and will be disposed of properly. THANK YOU!

Also, don't forget to notify the school nurse of any changes to medical information, including new immunization records if any immunizations are received."

Transportation

The Carl Junction Transportation department is looking for bus drivers. This is a part-time position that would allow you to spend more time with your children while they are at school or activities. Training will be provided and the district will reimburse you for the cost of your license. If you can drive a car, we can teach you to drive a bus! If you're interested apply online at www.cjr1.org, contact the transportation department at 649-5740 or contact Jared Richmond at extension 2365 or jrichmond@cj.k12.mo.us for more information.

Parents:

I would like to take this opportunity to tell you thank you for sharing your child with us this year. I LOVE this age group, because they change so much during the three years they are here! Good luck and best wishes to those going to Junior High!

I hope everyone has a great end to the school year!

Gretchen DeMasters
