Some suggestions for food items are: canned goods, flour, sugar, shortening, cake mixes, potatoes, etc. Hopefully we will be able to provide help for several families. Student Drop Off

Please make sure that you remember to pull all the way forward in the drop off lane when dropping off or picking up your child. This allows for more cars to pull to the sidewalk and more students to enter/exit their cars at once. By doing this, we speed up the process a great deal!
