## Math Contest

Congratulations to the following students who participated in the Math Contest in Wheaton, MO on February 23: Lincoln Dalton, Cienna Rodriguez, Carson Sprouls, Caleb Taylor, Seth Brown, Joshua Frakes, Otto Fuchs, Craig Hayes, Alex Hobson, Corinne Merrell, Ryan Sprague, Tallie Ayton, Jack Spencer, and Grace Ware.

Seth Brown, Otto Fuchs, Corinne Merrell, Ryan Sprague, Tallie Ayton, Jack Spencer, and Grace Ware all individually qualified for Regionals! There were five openings for "teams" to go to Regionals, and our building took four of the five spots!!!! I'm especially proud, because many schools choose their students at the beginning of the year, and then "prep" them for the contest after school. We rely on our students to use the excellent math knowledge they have acquired from their teachers in class each day. In other words, we don't have to "prep" our students to be great in a contest. They can do that all on their own!
