## FALL PARADE AND PARTIES

We will hold our annual fall parties on Friday, October 29th. We are planning to have our parade at 10:00 am on Broadway Street. Parents, if you would like to watch, we ask that you remain separated from classes, in keeping with our COVID procedures. Unfortunately, we will not have visitors at our parties that will follow the parade. Teachers will send home information about items they may need for that day. Items should be sent in with students in the days before the parties, rather than brought to the office by families. Costumes are welcome and should follow a happy, fun theme. No blood, weapons, or props will be allowed as part of any costume. Students should wear their costumes to school. Students will be dismissed for the day at 11:30.
