**Vote
April 6!**

Improvements

This \$7 million bond proposition will provide:

- HVAC replacement at K-1 and Primary 2-3
- Window replacement at Primary 2-3
- Roof maintenance on most buildings
- Asphalt upgrades on parking lots
- District-wide transition to LED lighting
- Improved lighting in HS parking lot
- Ceiling and ductwork repairs in HS gym
- Exterior door safety upgrades
- Safety and accessibility upgrades to K-1 playground

Debt Payoff

- This Proposition will allow payoff of debt four years early without increasing taxes.
- Prop S.A.F.E. will also provide \$3.3 million to pay off existing lease-purchases to make \$265,000 available annually for other needs.

These bond projects will positively affect all 3,300 Carl Junction students by addressing safety and environmental aspects in ALL school facilities.
