

Carl Junction High School

Senior Decision Recognition

Many Missouri high schools celebrate their seniors' plans for the future. At CJHS, we would like to recognize our seniors as they are ready, and with their permission. Some seniors may choose to enter an apprenticeship or work-based learning program, go to trade or technical school, attend a community college or university, enter the military, or obtain employment. Some students are not ready to make this decision yet; therefore, this is an ongoing recognition program that is voluntary and can happen when students are ready.

Seniors who would like to participate will be recognized in the form of a picture of the senior, along with a brief statement of his or her plans to be temporarily displayed on a slide show in the CJHS entry way in May, prior to the graduation ceremony. Students may submit a photo, or a school picture can be used. If submitting photo, email to krijones@cjr1.org.

All recognition requests will be submitted by hard copy to Mrs. Kristy Jones, postsecondary advisor, and each photo/statement will go through the approval process before being shared.

Seniors should use the bottom portion of this form to submit a request when ready to be recognized.

Student Name: _____

Postsecondary plans: _____

Student Signature: _____

If you have questions, please reach out to Kristy Jones, CJHS postsecondary advisor at krijones@cjr1.org or 417-649-5796.
