HOW TO OPEN YOUR LOCKER

Opening your locker will get easier after some practice and tonight is a great time to get that practice started!

- First, turn your combination lock to the right several times to “clear out” the last visit.
- Second, turn to the **RIGHT** until you reach the first number and then stop.
- Third, turn to the **LEFT**; skip the second number the first time around, but land on that number on the second turn.
- Fourth, turn back to the **RIGHT** for the third number and land on it the first time.
- Lift the latch and the locker will open.
- **DO NOT WORRY; WE ARE VERY LENIENT WITH STUDENTS, TARDIES, AND PASSING TIME FOR THE FIRST FEW DAYS OF SCHOOL.** We know for some, the lockers take some getting used to!

Working your locker combination:

24 – 16 – 32

Turn to the right, and land on the first number!

Now turn to the left. Skip the second number once, and land on the second number on the second turn.

Finally, turn to the right again until you reach the third number. You are done!

A “TO DO” LIST FOR THIS EVENING

After picking up your schedule, you may wish to visit one or more stations in our commons. Here is what is available:

- **Can I put money on my child’s lunch account?** Visit Mrs. Amos and Mrs. Klute at the Information Table. There is a minimum \$2.00 deposit of cash or check. You may also make a debit deposit by using your “parent portal” account online. Free and reduced lunch forms are also available at the Information Table.
- **I need online access to the “parent portal” and my child’s grades.** Visit Mrs. Amos and Mrs. Klute at the Information Table in order to sign up for these essential services.
- **What documents, forms and other paperwork do I need to read and sign tonight?** Visit one of our computer terminals in our commons in order to complete our Online Forms. These forms include updating address and contact information, a media release, the Chromebook user’s agreement, the random student drug testing policy/consent and several more.
- **My schedule is wrong! Or I think it might be . . .** Visit Mr. Withers and Mrs. Brock at the Counselor Table. They will have you add your child’s name to a list for needed corrections OR be able to clear up some possible confusion about scheduling.
- **Whom do I turn to for my child’s specific health issues?** Visit the office to discuss these concerns with our school nurse or schedule a time later for a more involved discussion.
- **I need information about school athletics.** Visit our Athletic Director Coach Buckmaster at the Athletic Table for copies of the physical forms and proof of insurance your child will need before their first practice and for general information regarding school athletics. Information regarding fall sports, practices and schedules will be available.
