Application and Full List of
Requirements and Conditions](#)

Evergy welcomes applications from students with an interest in the Energy Industry and a degree interest in Human Resources, Accounting/Finance, Engineering, or Computer Science.

To apply, reach out to your high school counselor and have them contact Bridget at The Ellis Foundation, Bridget@TheEllisFoundation.org or by cell at (913) 370-6779.

Evergy recognizes females and diversity candidates are traditionally underrepresented in skilled craft roles, therefore females and diversity candidates are strongly encouraged to apply.

- Must live in the Evergy service area
- Must be a graduating high school senior
- Additional requirements and conditions can be found at link above
