

CARL JUNCTION HIGH SCHOOL APPLICATION FOR EARLY GRADUATION

Due November 19, 2021

I, _____, am applying for early (end of 1st semester) graduation. I will complete the minimum graduation credits required to graduate by the end of the seventh-semester and do not plan to attend eighth-semester classes. I understand that if I should fail to pass the necessary credits to meet early graduation requirements, that I will be required to attend Carl Junction High School on a full time basis for the remainder of the current school year.

I (circle one) DO DO NOT plan to participate in graduation ceremonies.

I (circle one) DO DO NOT plan to participate in end-of-the-year activities (prom, project graduation, senior trip, etc.)

I AM NOT currently attending Franklin Technology Center or Carthage Technical Center

NOTE—Students attending FTC or CTC are not eligible for early graduation due to the fact that CJHS is required to pay tuition costs for the entire year. Also, FTC or CTC does not allow half year attendance. FTC and CTC students interested in part-time attendance second semester must see their counselor.

My plans after early (December) graduation are:

- Attend college (Name of college/university _____)
- Work/employment
- Enlist in the Military (Name of branch _____)
- Other (Please explain: _____)

I understand that seventh-semester graduates are allowed to participate in prom and all senior graduation functions. I am also aware that the class valedictorian and salutatorian must be eighth-semester graduates. I understand that by graduating at semester it is very difficult to meet the CJHS Honors Curriculum guidelines. I further understand that it is my responsibility to keep in contact with school personnel and check the school website (www.cjr1.org) frequently so that I am informed about senior activities, deadlines and all financial aid and scholarship information.
