

**CARL JUNCTION HIGH SCHOOL  
APPLICATION FOR PART-TIME ATTENDANCE**

\*Students Enrolled in Franklin Technology Center or Carthage Technical Center\*

Due November 19, 2021

I, \_\_\_\_\_, am applying for part-time attendance during the second semester. I will complete the minimum graduation credits required to graduate by the end of the seventh semester and request to be excused from full-time enrollment in second semester classes at CJHS. I understand that if I should fail to pass the necessary credits to meet early graduation requirements, that I will be required to attend Carl Junction High School on a full time basis for the remainder of the current school year.

I understand the following:

- I am still a student of CJHS and must continue to abide by all school policies and procedures. Failure to do so will result in disciplinary consequences and possible exclusion from graduation ceremonies.
- I am permitted to participate in prom and senior graduation functions as long as I remain in good standing as determined by the high school administration.
- I am not able to participate in MSHSAA sponsored athletics or activities because I will not meet the eligibility criteria.
- It is my responsibility to stay informed about senior activities, deadlines, and scholarship information.
- I am aware that the class valedictorian and salutatorian must be eighth-semester graduates. I also understand that by graduating at semester it is very difficult to meet the CJHS Honors Curriculum guidelines.

My plans after early (December) graduation are:

- Attend college (Name of college/university \_\_\_\_\_)
- Work/employment
- Other (Please explain: \_\_\_\_\_)

My signature below indicates that I understand that failure to comply with any of these responsibilities will result in disciplinary consequences and could lead to exclusion from graduation ceremonies and other senior activities.
