

## **Carl Junction R-1 School District**

**2022-2023 School Year**

### **Missouri Assessment Program Calendar**

It is time for the Missouri Assessment Program assessments for students in Grades 3-8 or enrolled in English 2, Algebra 1, Biology or Government. Algebra 2 is required for students taking the Algebra 1 assessment in 8<sup>th</sup> Grade. All students enrolled in Carl Junction Schools (seated or virtual) are required to take the assessments. Additional students who live in the district may request to take the assessments by contacting the district at 417-649-7026. General testing dates are below. Each building will send families specific dates and times for testing so you can help ensure your students are at school on the dates of the test.
