

Parents as Teachers

2020-2021

Please check temperatures before visits and let your parent educator know if anyone in your family is not feeling well. Your parent educators will do the same for you. We can always switch a visit to virtual and schedule an in-person visit when everyone is feeling well.

We have scheduled the Group Meetings with the highest hopes that we will be able to have them.

Welcome Back! We are excited to get started with the school year!

Due to COVID-19 we are offering 3 options for home visits and the Group Meetings below.

1. Virtual or telecommunication visits. Ex: I spy, color hunt, reading stories and checking milestones
2. Backyard, porch or park visits
3. At the school visits: inside the school after 4:00 pm, outside the school before 4:00 pm (Limited time slots)
