

**Intermediate School- Carl Junction Youth
Consent Letter for
Homecoming Parade Participation**

Please consider this signed form as permission for the Carl Junction School System to release my son/daughter to their coach for participation in the 2022 Carl Junction Homecoming Parade.

The respective coach will ensure that all the kids in their care leave and return to the school grounds safely and in an appropriate time frame to meet their parents or to catch the school bus home. Students will need to take their backpacks and possessions with them to the parade as they cannot return into the Intermediate School following the parade.

Please also designate below your student's after school transportation plans for the day of the parade.

Please return signed form to the office at the Intermediate School by September 28th.

Thank-you,
