**Line-Up Locations:** Will be distributed by email on Wednesday, September 20th

**Unloading:** You must take your float back to the Jr. High or High School, or unload in the grass area on the corner of Verbryck and Wise. Please do not unload on the roads, but rather find an area out of the way of after school traffic. Please help keep the parade going and get the fire trucks back to the fire station as fast as possible. Just a reminder: K-6 students must be taken back to their schools by the club/sport sponsor.

**Candy:** Please make sure any candy being thrown during the parade is thrown far enough to the sides of the street so kids will not be tempted to run out into the road. Otherwise, people can walk along the sides of the road and hand the candy out. Do NOT throw out ANYTHING besides candy. Remember if we cannot throw candy correctly we will lose this privilege in future parades.

**Sign-Ups:** You must sign-up to enter the parade. There was a sign-up link included in the Homecoming 2023 email.
