### WHAT DO YOU WANT THE COMMITTEE TO KNOW ABOUT YOU?

**IDEAS BELOW:** Look over these questions. Would it benefit you if the committee knew the answers?

- Are you a first generation college student? (neither biological parent has a bachelor degree)
- How have you gone above and beyond to work toward your goals so far?
- With whom do you live? (Include everyone in the home.) Please describe your situation if you are currently housing challenged. If you are currently not housing challenged, but have been in housing transition in the past, please explain.
- Are your parents married/divorced/separated/deceased/incarcerated? Have you been or are you currently in foster care? How many siblings do you have? (include half and step siblings, on both sides, even if they do not live with you)
- Where do your parents work (or the person you live with)? What do they do at their job? (Please also state if they are on disability and cannot work; in between jobs and not working or underemployed—meaning they lost a higher paying job)
- Were you born in a country other than the United States?
- Where do you work? What are your job duties? How many hours per week do you work during the school year? Summer? What bills do you help pay for with your paycheck?
- What extracurricular activity has impacted you the most? Explain your choice.
- What award or accomplishment has meant the most to you and why?
- Explain responsibilities you have at home with siblings/grandparents/special needs individuals including any cooking or cleaning responsibilities.
- What is the most challenging obstacle you have or are trying to overcome in your life? How has this impacted you?
